Mission Statement

The Chartley Neighborhood Association promotes the health, safety, and welfare of the residents of the homes within the Chartley area, the general well-being of the community, and works to preserve Chartley as an attractive and safe neighborhood. It operates in coordination with other civic organizations to assist in educating residents about, and in the implementation of crime prevention programs, health initiatives, scholarship programs, cleanup campaigns, and other activities to maintain and improve properties within the community.

Main Street News

Reisterstown Main Street volunteers work hard to keep our town neat and a fun place to stroll. On the 1st Saturday of each month at 9am the **Main Street clean up** starts at the parking lot of Landmark Shopping Center (front of Reter's Crab House & Grill) to pick up litter.

On the 2nd Saturday you have the opportunity on the **Franklin Woodland Trails** to not only pick up trash but to lay mulch defining the trail and work in an area to add amenities. Volunteers

gather at 9am near the bridge at the new trail head. Parking is easy behind RUMC.

April 20th come to Main Street to see 5 more **historic plaques** unveiled starting at 246 Main Street at 10am and then 322, 356, 400, and conclude at 321 Main Street where Maryland Horse will host refreshments. Such fun to celebrate our historic properties!

Plans are underway for our upcoming Spring/Summer events.

The **Bloomin ArtFest** (May 11, 10 am – 5 pm) will be here just in time to get something for that special Mom in your life. Check out updates at www.reisterstown.com/bloomin-artfest/ and come with family and friends to list to great music, eat from our Food Trucks and get that unique gift on the Main Street lawn of FMS. Think sunshine... if rain happens the event will move

Reisterstown United Methodist Church Food Pantry

Linda Adams of the Reisterstown United Methodist Church (RUMC) was a guest speaker at the Business Roundtable on March 12th and gave a report on the community's need for the church's Food Pantry, which is one of three donation centers in our town.

Every Saturday people drive to the back of the church, go through the tent, pick up their bags of food, give thanks (I am sure), and drive away grateful for the assistance. Ms. Adams told us there are many

underfed people in our community. We were surprised to learn that many are our elderly citizens.

The church uses an ID system they have devised, accepting only the three local zip codes (21136, 21117, and 21071), and clients must have proof of living in the area (e.g., utility bill, driver's license). This program is offered twice a month to those who qualify. Clients can also get food donations from both the Community Crisis Center and the Food Pantry, so each donation center's hours and days are different to allow for this.

The food comes from the Maryland Food Bank, local businesses, people in the community, and donations from the congregation. The Maryland Food Bank donation is free; however, the church must pay the shipping and handling, which can come to \$3000 or more a month. One very large donation comes from the Owings Mills Giant grocery store. They donate from 100 to 300 pounds of meat each week. It is nice to learn that our grocery stores are lending a helping hand in our community. They also generously donate dairy products.

If you would like to help, donations of boxes of food are welcome and, of course, money can always be utilized. Please call the church office (410-833-5440) to find out where and when to donate.

The Food Pantry is open every Saturday morning from 8:30 – 11:00 am, rain or shine.

has spent years working in the community arts, she is always looking for creative ways to engage with the local community through various projects, activities, and events. She loves the history, people, and uniqueness that this town offers, and hopes to be an asset to CNA.

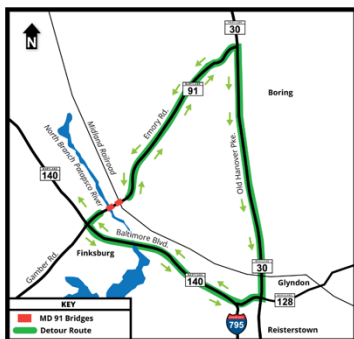

Vice President: Steve Etzine. Steve has lived in Reisterstown for 22 years and landed comfortably in Chartley after working and living in two countries and three cities. When family circumstances dictated a change, Stephen scoured several counties until he discovered that everything he was looking for was in his own backyard. He's retired from the AD business, where he created successful work for National brands and the Maryland Lottery, and will be applying his skills and experience to attract new members to the Chartley Neighborhood Association.

Secretary: Sharon Baldwin. Sharon has lived in Chartley for 30 years along with her husband, Joe Ganem. Sharon and Joe's children were raised in Reisterstown where they attended local schools and took part in many youth activities in the area. Sharon is a retired early childhood special education teacher. She is an active board member with Open Space Arts in Reisterstown – a local non-profit arts organization that has existed for over 35 years.

Treasurer: Joe Ganem. Joe and his family have lived and raised their 3 children in Chartley. He is a professor was a department chair at Loyola University for years. Joe has served as our President and Treasurer in prior years and is always a willing participant in projects that benefit our community.

Route 91 Construction Update

The Maryland Department of Transportation State Highway Administration (MDOT SHA) will **close** a portion of Maryland Route 91 in Finksburg to complete its bridge replacement project. The MD 91 bridge will close on **Monday, April 15 at 6 a.m.** Traffic will be detoured using MD

Crime in Chartley

The crime rate is beginning to increase in Chartley, and that is something that we do not want to happen. As of the day that this article was written, March 27th, Chartley residents have reported 4 crimes in our community during March. This brings our Year-to-Date total to 9 as compared to 4 for the same period last year. The 4 crimes reported in March are as follows:

- Two Non-Domestic Assaults
- One Breaking and Entering (Home Burglary)
- One Theft

The 2 Non-Domestic Assaults and the Home Burglary were reported in the 200 and 300 blocks of Bond Avenue. We are working with the police to help monitor this area and urge all residents to become more vigilant and to always **be aware of your surroundings wherever you are, particularly when you are outside or shopping after dark.**

Since most **home burglaries** take place on weekdays during the hours of 10–2 PM, consider making sure that your home and outbuildings are adequately secured. One way to do this is to install outdoor security cameras around your home. They won't stop thieves from breaking in, but they will help to ensure that they have a bad day if they try.

One theft was reported in the 400 block of Highmeadow Road. Now that spring is here, you can bet that the theft rate will increase, particularly for children's bicycles. With the longer days and warmer weather, children will be out riding their bikes and having fun; however, kids being kids, they will forget to properly secure their bikes when they aren't riding them, and bingo – the bike is stolen. It happens every year, particularly on Highmeadow and Homevale roads. We suggest you take pictures of your children's bikes, record the serial numbers of the bikes, and teach your children to always return their bikes to a secure place on your property when done.

Door-to-door salespeople are starting to knock on residents' doors again and I am getting several calls asking what the County Code requires of these

people. You can find complete information of the **salient points** contained in the County Code at <https://www.chartleyneighborhood.org/chartleyconversations>. We suggest that you print this information and put it on your refrig, or some other convenient place, so that you can quickly access it when needed.

The County Code also specifies that solicitors are prohibited from offering “any service or item of merchandise for sale to the occupant of a residential property in the county if the owner or occupant has visibly displayed on the property a **No Soliciting** sign, or a sign containing similar words.” The Code provides for a fine not to exceed \$100 per offense. If you are concerned about anyone knocking on your door and trying to sell you any product or service, you can report them by calling 911. **See a “No Soliciting” sign you can cut out on page 11.**

At the monthly Police Community Relations Council Meeting (PCRC) of March 19th, Captain Jamerson, Commanding Officer, Precinct 3, reported that Year to Date overall crime in Baltimore County is down 13%. The one uptick is the continuing rise in auto theft which has increased 64% but had declined the two weeks prior to the PCRC Meeting.

Yes, spring is finally here which means that in the very near future, we will be able to spend more and more time outdoors...sprucing up our lawns, planting flowers, washing our vehicles, etc., and just enjoying the warmer weather. But it also means that the bad guys will also be out trying to catch us with our guards down for a moment. For example, leaving the shed door open while we are cutting grass or cleaning up debris from the lawn...when POOF! Some of our tools are discovered missing. That happened several times last year and we expect that it will happen again this year as well. So, take a moment, and refresh yourself with the tried and tested Crime Prevention Tips below and then put them into practice.

- **Lock it up, each time, every time.**
- **Keep the outside of your house illuminated after dark.**
- **Strongly consider the installation of home security cameras around your property.**
- **Never leave your vehicle running unattended.**
- **Never leave valuables in your vehicles.**

- **Never leave the keys to any property inside your vehicle.**
- **Be aware of your surroundings wherever you are, particularly when you are outside or shopping after dark.**
- **NEVER, EVER, FOR ANY REASON, GIVE ANY PERSONAL INFORMATION WHATSOEVER TO ANYONE UNTIL YOU HAVE VERIFIED THE SOURCE FIRST**
- **If in doubt, let the police check it out!**
- **If you see something, say something! Call 911 each time, every time.**

2024 Spring and Fall Yard Sales

Back by popular demand, the Chartley Neighborhood Association and the Country Club Estates Community Association are pleased to announce the dates for this year’s two Community

Spring and Fall yard sales. In selecting dates for any of our events, we always try to avoid any conflict with holidays or events planned by other organizations in the area. This helps to increase the probability that prospective buyers can attend our event instead of having conflicting schedules.

Both the Spring and the Fall Yard Sales will be held on 2 consecutive Saturdays. Those dates are: June 22nd and June 29th for the Spring yard sales, and September 14th and September 21st for the Fall yard sales

To participate, move your unused or unwanted items out in front of your house and begin collecting the money. Each event will begin at 8 AM and will continue until each participating resident decides to stop. We are asking all who wish to participate to pre-register your location and the types of items that you are selling to allow us to advertise your location to potential buyers to help them find you on the day of the event. Please note that we will **NOT** publish your name, phone, or email address...only your location and the types of items you wish to sell. Registration is quick and easy and helps prospective buyers find you. The preregister website is: <http://www.countryclubestatesreisterstown.org/yard-sale-registration.html>.

(Continued on page 8)

Spring & Fall Yard Sales (Continued)

Mark your calendars now and start taking inventory of those items you no longer want or need so you can get rid of them by participating in these great events. And talk to your neighbors and get them to participate as well. The more residents that participate on each street, the better the chances of drawing potential buyers.

Grocery Days

The Chartley Neighborhood Association's monthly board meeting had as a guest speaker Lakecia Hines, the Community School Facilitator for Glyndon Elementary School.

One of the things she mentioned was the fact that over 65% of the children at Glyndon live below the poverty line. The board was stunned. This is due to a lot of factors, and one of the consequences is the children's lack of food. For this reason, Ms. Hines, as the school facilitator, has started Grocery Days. This is a once-a-month distribution of food for the parents and children, before and after school. The food is made up of donations from the staff, friends, and neighbors in the community.

The next Grocery Day is April 17th, 2024.

If anyone wishes to donate non-perishable food for Glyndon's Grocery Days and help the children and their families, please call Ms. Hines at 443-809-6621 to determine when and where to drop off groceries. She said the school could also use pants in children's sizes, like sweatpants and pull-ups with elastic waists.

The board immediately decided to donate food to Glyndon, our own neighborhood school.

WEREWOLVES IN THE BACK YARD

Dear Elmer P: In the evening, I hear animals fighting and howling in the woods behind my house. What could it be? What should I do?

~ **Velma**

Dear Velma: Put out some dry dog food on a paving stone. It's probably foxes mating. They will probably be hungry after a heavy night of dating and will eat the dog food instead of the birds and squirrels living nearby.

Visiting Angels

Most of us have heard of Visiting Angels or even had some experience with them. They are a franchise company with 650 offices nationwide, providing in-home nursing care to the elderly who may need help while still at home. Recent guest speakers at the Business Roundtable on March 12th were David Pyser, owner of Aging Gracefully (dba Visiting Angels), with offices here in town, and his assistant, Marcy Silver. Mr. Pyser started out many years ago researching the area of elder care, knowing that the Baby Boomers

were, at some point, going to need care, and this was going to be a growing industry. Today his business model is providing personal care and companions for seniors in their homes, sometimes on an emergency basis, and helping families get through their times of crises.

Care of clients and hiring staff are the two most important aspects of his work. New hires must have a CNA degree (certified nursing assistant) or a GNA degree (geriatric nursing assistant) and be registered with the Maryland Board of Nursing. Many staff go on to school for their Registered Nurse degrees. There is a very in-depth interview process for new hires, the first step of which is a pre-screening, followed by a virtual interview, and finally a face-to-face interview in the office. They also do criminal background checks on each new hire and on the hire's first anniversary.

When called in to meet a new client, David and Marcy try to make it a team effort: The client, their family, and Visiting Angels. They meet together to make sure that the client doesn't need more care than Visiting Angels are licensed to provide, after which they put together a case plan, usually with the help of the family. Then they try to match the client with the caregiver.

Visiting Angels is a residential service agency, offering care in the home. They do not participate in Medicare or Medicaid but are usually paid by a client's long-term care insurance, or the clients themselves. The staff on hand cannot give medication or shots to clients.

For more information, Visiting Angels' office is at 316 Main Street, Suite 1-B in Reisterstown. The phone is 410-218-9506 and is answered 24/7. If it's an emergency, someone will get back to you immediately.

Membership

The following list shows the addresses that are paid in full for the 2023-2024 fiscal year. This includes those who sent in membership checks early and those who have paid for multiple years that include the coming year. If you believe you have paid for the new membership year and your house number does not appear on the following list, it may be that the payment you made was for a previous year. If you are not on the list and think that you should be on it, contact our Membership Chairperson, **Betsy Sloan** at **410-833-5523**, so that we can verify your membership and, if necessary, update our membership records.

Of course, you can always complete the **Membership Application on this page** and mail it along with your check to the Association PO box. You will have the opportunity to pay for both the current year (2023-2024) and the next fiscal year (2024-2025).
